

Dress Code and Personal Presentation Policy

Rationale

At Fortitude Valley State Secondary College our vision is **'To create a community of agile learners who are bold, resilient and kind'**. By instilling an expectation that all school members will look after themselves, each other and our place of learning, we will enable our vision and values to flourish, creating an orderly learning environment and a sustainable culture of excellence and innovation.

The Fortitude Valley State Secondary College Dress Code and Personal Presentation Policy:

- establishes a welcoming culture of school pride, a positive learning environment and high expectations;
- promotes a positive image within the community with an identifiable uniform that is smart, tidy and worn appropriately;
- addresses health and safety policies by ensuring students are wearing appropriate footwear and sun safe clothing;
- promotes the shared belief that we are part of something special and great, and by furthering social equality among students the uniform diminishes socioeconomic differences, reducing peer pressure associated with expensive 'brand' clothing;
- improves student safety by enabling staff to identify people within the school grounds who are not associated with the school.

Under the Education (General Provisions) Act 2006 section 360, a Principal may develop a dress code to apply when students are attending or representing the school. As per the Act, this dress code outlines the acceptable standard of clothing to be worn by students and personal presentation. The Fortitude Valley State Secondary College Dress Code and Personal Presentation Policy reflects the community expectations and standards as determined by the Principal in consultation with school community representatives.

Dress Code and Personal Presentation Expectations

The Fortitude Valley State Secondary College formal uniform is to be worn daily to and from school and all school activities, including excursions (unless otherwise specified), school photos, and other functions at which students are representing the school in our community. Uniforms are not to be altered in any fashion and are to be worn as per the FVSSC Uniform Style Book. This includes (but is not limited to) rolling up of sleeves, shorts legs and/or skirt waistbands. Mixing formal and sport uniform items is not acceptable, each uniform is to be worn in its entirety.

Students in Years 7, 8 and 9 may travel to and from school in their sports uniform only on Thursdays. Senior students (Year 10, 11 & 12) are required to travel to school in their formal uniform on all days and are expected to change into their sports uniform once at school if required for a specific lesson/activity as per their timetabled classes.

Students are responsible for ensuring they change their uniform in their own time before the required lesson and change back into their formal uniform to travel home at the end of the school day.

All uniform items (with the exception of shoes) are to be purchased from Wearitto (in person or online). Appropriate footwear can be purchased at any shoe retailer.
